

Your loved one may now need the kind of care they generally can only receive in an assisted living facility. However, if he or she wishes to remain at home, Quality Care Services is your ideal solution.

Our goal is to provide excellence in care, at a reasonable cost. We strive for 100% client satisfaction, by combining the highest quality care with compassion and integrity.

Your loved one deserves the very best care, regardless of age or ability. You can trust to the skill and kindness of our staff. in providing outstanding overall care. Call us today to schedule a free initial in-home consultation, to learn more about how our services can solve all your personal needs and problems.

OUR MISSION

We tend to the many personal and health care needs, of clients of all ages, with diverse physical challenges. We are a qualified team of experienced and compassionate caregivers dedicated to always working to the highest personal and professional standards, in assisting those who needs us most.

OUR COMMITMENT

We give our clients the very best care, Comfort and affection. Yet we encourage them to maintain their independence and self-reliance, to the best of their ability, in the comfort of their homes.

OUR SERVICES

Our services include:

- * Assistance with daily living activities
- * 12/24 hour live-ins
- * Maternity/Newborn care
- * Home Health Aides
- * CNA's
- * Homemakers
- * Companions
- * 24-hour on call service
- * Social interaction, conversation, and companionship
- * Ensuring a secure, clean environment

We work with families and physicians to develop daily care plans, tailored to each client's individual needs. When needed, we will travel to nursing homes, assisted living facilities, hospitals, and rehabilitation centers.

OUR STAFF

Our staff is our most valued asset.

Our caregivers undergo rigorous screening and training, including current state certification and licensing, all designed to ensure consistent, top quality care for our clients.

We select each individual staff caregiver, on the basis of demonstrated professionalism, generosity of spirit, human compassion and superior communication skills. This unique combination of thorough training, plus a demand for excellence, guarantees that our clients can fully trust in the care they receive from the staff of Quality Care Services. Call us now to learn more about how our services can work for you or a loved one, at: (203) 255-9168 or (203) 254-1869.
